

# You Can Have It All!!

*Profitability • Efficiency • Performance*

# MIDLAND BULL TEST

**Now Featuring**

A complete package of  
mothering ability, natural  
thickness, and disposition for  
profit-minded producers.

## Braunvieh Testing 85 Head

### Maternal Function

Braunvieh cattle are the total package-- including a live well muscled calf with high growth and hybrid vigor in systematic crossbreeding; as well as moderately framed cows with exceptional fertility, milk ability, longevity and adaptability have the Braunvieh cow performing well in any climate or environment.

### Carcass Value

Braunvieh sired steers have consistently hung up top carcasses all around the country including renowned steer tests like The Great Western Beef Expo, Sterling, Colorado, Beef Empire Days, Garden City, KS, and Texas A&M Ranch to Rail program.

**MONMONTANA**  
TRUSTED BY PRODUCERS FOR 48 YEARS
